

Movements Of Murder Victim Are Sought

Spent Evening in GC
Downtown Area; His
Hat Found Near River

Movements of Vincent B. Portell on the night he was brutally slain and thrown into the Mississippi River are being traced by Granite City police and the state's attorneys, coroners and sheriffs' offices, in an effort to develop a clue that could help solve the murder.

Persons who may have seen the 66-year-old Granite City pipefitter on the evening of Sunday, Aug. 21, or the early morning of Monday, Aug. 22, are being urged to notify the police. The belief is growing that he was accosted shortly after leaving the Moose club, and that the attack either occurred in the vicinity of the 1800 block of State street or the river north of the Chain of Rocks Bridge.

Several facts support the theory that Mr. Portell first met with foul play in the downtown area or was lured from the downtown area by men who later beat and robbed him.

1. He frequented the business district and roomed only a short distance away, 1739 Edison avenue.

2. He did not drive a car, and usually walked to his apartment when in the downtown area.

3. He was in the downtown vicinity during the afternoon and evening of the night he disappeared, and was last seen in the Moose lodge at 1500 State street at about 9:50 p.m. Aug. 21.

4. He had spent most of the evening in the 1800 block of State, an area of the city known by young hoodlums believed capable of robbing an elderly man who they might have considered easy prey. He was known to carry large sums of money, sometimes several hundred dollars.

With robbery believed to be the principal motive for the crime, investigators are uncertain why the man or men injured him so badly that they would decide to throw him into the river.

Rocks Benefit Surface
Fractures of the chest bone and a rib were suffered prior to death; a skull fracture and nose fracture were suffered after death and could have been sustained in striking rocks during the plunge into the warm waters of the river.

The specific cause of death has not been established, but authorities are convinced that Mr. Portell did not reach the river by himself. It was too far to walk, and he did not know how to drive. Questioning of taxi drivers has indicated that he was not transported in a cab that night.

The robbery theory is given some substance by the fact that the murdered man's trousers are missing. It is believed they may have been removed to aid in locating his pockets.

Thrown In Near Where Found
A newly-animated development, finding of Mr. Portell's straw hat about 50 feet from the stream from the point where his body was found lying in a tree.

Worker Crushed By Crane Today

A traveling crane planned a worker at A. O. Smith Corp. against dust-work in the plant's main parts department about 9 a. m. today, causing multiple fractures in the chest and hip area.

Clarence Faughn, 56 a resident of Alton, Ill., was taken by ambulance to St. Elizabeth's hospital. He was admitted, and his condition was serious at 12:30 p. m. today.

Faughn is an employee of the Rite Electric Co., 2441 Madison avenue, and was doing electrical work at the plant.

Did You See This Man On Aug. 21?

HELP FROM THE PUBLIC is being sought by Granite City and county authorities in their investigation of the murder of Vincent B. Portell, 66, on the night of Aug. 21. All those who saw him that evening are being asked to contact the police in the hope that they may have noticed someone or something that might lead to a solution of the baffling crime. These pictures, located this week, show as he most often was seen, wearing his hat, and also show how he appeared without the hat.

Heavy Bend Rd. Taxi Traffic Again Disturbing Residents

Heavy taxi traffic late at night recently has caused residents in the area to wonder what is going on at a Bend road building formerly known as the End of the Line, the Press-Record has learned.

The building was the scene of a raid by Sheriff George Musso Sept. 6, 1939, when a man was arrested for keeping a disorderly house and four women were charged with being inmates of a house of ill fame. The five-headed guilty to reduced charges of disorderly conduct two weeks later and paid fines of \$100 each. Charges against three taxi drivers arrested at the scene were dropped.

Receiving complaints this summer about traffic noise, lights and disturbances along the roadway in the unincorporated section known as Bend road, the Press-Record interviewed nearby residents. The picture that they painted was one of midnight car lights and streams of taxicabs into the early morning hours.

Kept Awake By Traffic
One woman, kept awake by traffic on the once lonely stretch of road, has turned her bed around so that the headlights will not disturb her rest quite as much, she related to the Press-Record.

Another resident refused to talk to a reporter without first seeing his credentials. She then said all she knew in the hope that "something can be done."

Still another resident declined to say anything at all, saying that he did not want to get involved in something that might be dangerous.

"It's been going on all summer. It's been awful," was a frequent statement.

"You can only go in if you go by cab now," one man said. "The cabs don't come every night, but somehow they all know to come on some nights." Taxis have been observed signaling with their headlights; the interview was told.

Drivers Chase Pares
Sometimes, taxi drivers chase up and down the road, attempting to collect their fee, residents reported.

"Every Wednesday, whether the traffic has been slack or busy, a taxi truck goes there. Beer trucks go there, and this past week a whisky truck went there."

Widening Of 20th St., Nameoki Rd. Pending

Intersection Designs
Have Been Completed
And Submitted To State

Widening projects for Nameoki road and 20th street may be started late this year. The start of construction depends on acquisition of right-of-way and Springfield approval of intersection designs, it was learned today from E. W. Rietel, district engineer at the state highway department office in French Village.

"There is a possibility the letting of contracts may be undertaken this year on some phases of the projects," Rietel said. His office has just received the city engineer's revised designs for the Nameoki road intersections at Madison avenue, Johnson road and Pontoon road, where traffic signals are planned.

"These designs will be reviewed at this office and then forwarded to the Springfield office for final approval," the district engineer explained, pointing out that the length of time required for such approval varies.

Under the proposed projects, several streets must be widened for several years, the section of Nameoki road from Madison avenue north to the city limits is to be carried out first, the widening ending at Edwardsville road to be started at a later date.

May Condemn Tracts
Rietel explained that considerable right-of-way has to be acquired before the section south of Madison avenue will be started.

Also, several tracts must be cleared, possibly be condemned, to acquire adequate right-of-way for the widening of 20th street, which is to extend from Madison avenue east to Edwardsville road.

Originally, the work on 20th street and north section of Nameoki road was to have started earlier this year, but delays were encountered because of right-of-way problems and the question of intersection.

The two widening projects are to be financed by motor fuel funds, with the state paying 90% of the costs and the city providing right-of-way from its limits.

Most of the additional right-of-way needed for the Nameoki widening north of Madison avenue has been cleared through the old Illinois Terminal.

Thomas Goodwin, 2188 Robert, owner, estimated the loss at \$2000 on the garage and \$760 on the car. Both were a total loss.

Bottles Exploded
Also consumed by the flames, which were reported to be "the height of the garage," was a small fishing boat stored next door, owned by George D. Drake, 2164 Robert. Throughout the blaze, Drake said, small explosions from bottles popping inside the garage were heard.

The business answered the call at 1:22 a. m. and remained at the scene for an hour and forty minutes.

The cause of the blaze has not been determined.

15% Cut In GC Steel Employment

Although operations at Granite City Steel Co. have been maintained at a higher rate than the steel industry generally, as the local plant goes into September, the steel industry's popping inside the garage were heard.

"This reflects the somewhat lower rate of operation currently," the statement related. "It has been necessary to take out of production the three smallest of the company's seven open hearth furnaces. These will remain out of production until the demand for steel improves."

The statement related that has been reduced by about 380 hourly and 45 salaried personnel.

Approximately 370 more are on vacation or away from work for other reasons at this time. This represents a drop of about 15% below peak employment.

At present, the company is making no prediction as to future sales and operations are going to pick up. However, the company said, a statement related that have held up somewhat better than in most of the country's steel plants.

School Bells To Ring Tuesday For GC, Parochial Students

A buoyant, expectant army, 11,174 strong, will troop to Granite City public schools Tuesday to the sound of the bells sounding the knell of summer vacations and the beginning of the 1940-41 year.

Additionally, an estimated 1840 area parochial school youngsters, likewise well-scrubbed, combed and pressed, will make the trek, old yet ever new and challenging.

The anticipated turnout of public grade and high school pupils is 600 above the count of a year ago, according to School Supt. Harold M. Kaiser.

And in Granite City's 15 parochial schools, they will face a faculty and administrative corps of 460.

In this tally of educators, Dr. Kaiser has announced, will be found 33 additions to the instructional staff along with 28 new teachers and new experienced "new faces." Tuesday will usher in a new era in their careers and add new experiences. But they do not enter into their new duties unprepared or ill-equipped since they have received the benefits of counseling and instruction at orientation projects last Monday, and the first day of school will continue through Friday.

While exact figures were not at hand today, in five Catholic schools, the National Safety Council says the mark of 453 set in 1931 will be surpassed "unless motorists drive with greater care this holiday than they have in the past."

Predicting a record 460 traffic deaths, the National Safety Council says the mark of 453 set in 1931 will be surpassed "unless motorists drive with greater care this holiday than they have in the past."

Estimating that 73,000,000 vehicles will be on the move sometime during the weekend, the council has urged that motorists be prepared for any traffic emergency, try to avoid driving during peak traffic periods, forego drinking before they drive and use seat belts. Not a single person killed in a traffic accident last year was wearing a seat belt, it has been pointed out.

Locally, the Dow Metal Products Co. and Granite City Steel Co. have conducted auto safety inspections for their employees, and the Quad-City Safety Council is distributing 2000 bumper stickers that state, "I pledge to be a safe, courteous driver."

No local parades or festivals are planned during the long holiday period.

Undergo Surgery

The following are recovering at St. Elizabeth Hospital from surgery which they underwent this week: Yada York, 216 East 21st street; Pauline Barnett, 1200 Grand avenue; Leslie Rogers, 3252 Dodge avenue; Fred W. 281 West 21st street; John Whitehead, 2235 DeWitt avenue; Dorothy Williams, 4001 Rural Road; and Walter Wright, 4901 Mueller avenue.

Enough Signatures Obtained To Have Health Dept. Vote

The proposal for a health department for Madison County will be placed on a Nov. 8 referendum ballot.

Unofficial tabulation of petitions last night showed more than enough to place the issue on the ballot, according to Dr. John L. Patchett of Springfield, Mo., chairman of the local health committee.

Petition-counting at the office of County Supt. of Schools Wilbur Wright in Edwardsville showed 18 county townships already in with over the needed number of registered voters.

Dr. Koch said the petition count is still tentative, subject to revision today. Twenty-three townships have not yet received their petitions.

Some townships showed over 5% of registered voters in favor of the department proposal. The range was from about 8% to over 12%.

7 Fatalities in Month—Highest Toll in 6 Years

**Strict Traffic
Law Enforcement
During Holiday**

"Traffic Condition Yellow" is in effect in the Quad-City area, and "Traffic Condition Red" will begin at 6 p.m. tomorrow, continuing through midnight Monday, Labor Day.

Strict law enforcement will be emphasized by local, county and state officers in an effort to hold the holiday street and highway casualty toll to a minimum. All leaves of Illinois roads have been canceled, and the statewide goal will be a reduction of accidents and maintenance of smooth traffic flow.

Traffic authorities are urging that speed and distance of Labor Day weekend be kept at reasonable levels. Courtesy, full attention to the road and observance of all laws and warning signs are strongly recommended.

In addition to the three deaths, eight persons were injured as 13 accidents occurred in the local area this week.

The woman was killed and three other persons were injured when their 1939 Ford auto left the road, struck a tree and crashed into a tree shortly before 3 p.m. Tuesday.

Mrs. Thomas was killed instantly in the crash which occurred a mile south of Edwardsville, near the Madison county sanatorium. A coroner's inquest will be held in Alton.

Injured were Mrs. Minnie L. Pinkston, 29, of 1020a Douglas street, Venice, and two East St. Louis passengers in the car. All were taken to St. Joseph's Hospital, Alton.

Hospital personnel said Mrs. Pinkston is in good condition although her injuries initially were described as serious. The injured Mr. L. Spearman, 32, East St. Louis, and Eugene Bell, 29, Washington Park, East St. Louis, are responding well to treatment after suffering fractures to ribs and arms.

State police said no other vehicle was involved in the crash, and that the driver apparently lost control. The speedometer was demolished, 1939 vehicle showed a speed of 70 miles an hour.

Funeral services for Mrs. Thomas will be held at 8 a. m. Sunday from the New Salem Baptist Church, 208 Bremen.

TV, Radio Theft, One Set Is Found

A break-in at the B. F. Goodrich Co., 2266 Madison avenue, netted the burglars approximately \$1410 in television sets, radios and silverware. It was reported to Granite City police Monday. A newly safe was left intact, Manager Fred H. Maher said.

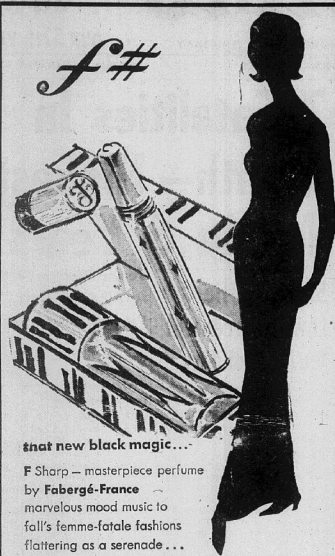

Entrance was made by prying open a door to the service department with the aid of a one-inch pry tool, police said. Taken were six new television sets worth \$1000, 10 table model radios costing about \$260 and six sets of silverware valued at \$130.

The burglars escaped through a back door leading to an alley between Iowa street and Madison avenue. Police listed the time of the robbery as between Saturday and Monday.

One of the television sets was recovered Monday in an alley near 1927 Fourth street, East Edwardsville. Police Chief Raymond Wilkerson said the set, discovered by a youngster, was badly scratched on the outside. He said it might have fallen from a truck used in transport.

Four Hubcaps Stolen
Four hubcaps valued at \$130 by Henry Whitehead, 1825 Russell street, were reported stolen from his car parked at Fourth street and Madison avenue about 11 p. m. Tuesday.

Theft of a new six-volt battery from a car parked in front of owner Paul Stitt's home at 1211 Sixth street was reported to Madison police at 6:20 p.m. Wednesday.

Witwer Stresses National Issues In Campaigning Here

Samuel W. Witwer, Republican candidate for U.S. senator from Illinois, labeled the Democrats as the party of "calculated gloom," and Sen. Paul Douglas as a "man of big talk and little do," Tuesday at a Madison county Republican luncheon in the Rosa Bowl restaurant.

"These are the most critical times our nation has ever faced," the Riverside resident told the upward-of-50 gathering. "And the big issue in '60 is: How are we going to win the fight for survival."

He accused the opposition, party of using highly partisan tactics in an effort to win the election, and constantly downgrading the "tremendous strides" made by the Republican administration since 1952 in national development, space vehicles and facing down the "invaluable Soviet foe." But at the same time, the Cook county resident said, the United States has maintained a period of unprecedented prosperity. The Democratic argument "doesn't hold water," Witwer said.

In scoring Sen. Douglas, Witwer said the incumbent has reversed the tenor normal to such high office.

"Many people elected to the senatorial office begin their careers as highly partisan politicians, but through maturity and experience they grow into statesmen, placing the good of the country uppermost in their thoughts," Witwer declared.

When Douglas first went to the Senate in 1948, Republican Witwer said he had a "policy of respect for the man... as a statesman with individuality, ready to stand up and speak his piece on important issues."

See Change In Philosophy "Since those early years," Witwer averred, "Douglas' political philosophy has changed, and he has now become a willing partisan politician, doing the bidding of the Democratic high command."

The senator is not concerned with great foreign issues confronting the nation's basic survival and growth, but busies himself with less vital problems of a domestic nature, Witwer argued.

"Actually," Witwer introduced, "there are only six depressed localities." And under a Republi-

can-sponsored bill before Congress, he maintained that twice as much financial aid would be extended to southern Illinois than in legislation proposed by Senator Douglas.

Reverting to the presidential election, Witwer, in advocating the Republican ticket of Nixon and Lodge, stressed that these are not the times to choose "untested men" for the presidency and vice-presidency.

Opposed In Own Party "Sen. Kennedy is a highly personable and likable young man," Witwer said. "However, before the Democratic convention even his running-mate, Senator Lyndon Johnson, continually pounded home the point that Kennedy is too young for the job." That fact was equally stressed by many other highly-placed Democratic contenders and officials, Witwer added.

Concluding his informal luncheon address, Witwer commented, "It would be inconsistent with good judgment to send Paul Douglas back to the Senate to continue opposing Republican presidential and vice-presidential candidates Richard M. Nixon and Henry Cabot Lodge."

The candidate, 52, a senior partner with the Chicago law firm of Wilkinson, Witwer and Moran, is making his initial bid for political office. He won the April 12 primary over a field of five candidates.

Party Offices In 1956 he was state chairman of the Republican party, and Eisenhower-Nixon, and was campaign chairman of the "Go for Broke" drive to elect Eisenhower to the United States Senate in 1958. President Eisenhower appointed him to the Commission on Assassinations.

Previous to and following the luncheon, the candidate embarked on a handshaking tour of the Granite City downtown business district and industrial plants, giving an impromptu talk from atop his sound-equipped station wagon.

Among those attending the fried chicken luncheon were Edward Groshong, East Alton, GOP candidate for state's attorney; Robert Byrne, Granite City, candidate for clerk of the circuit court; and State Rep. Ralph Smith, Alton, formerly of Granite City. Also on hand were Wilbur Gehring, Republican county chairman; Samuel Shackelford, Granite City alderman; and Luther Ruder, Granite City district chairman.

Witwer was introduced by a Granite City attorney, Randall Robertson, assistant On Four Charges

Harold Schueren, 40, of 2804 Cayuga street paid \$35 and costs yesterday after pleading guilty before Police Magistrate Gasparovic to charges of drunkenness, creating a disturbance, profanity and resisting arrest. Police took Schueren into custody Tuesday night after his wife complained that he was trying to set fire to the house.

Charged With Speeding For allegedly speeding at 28th and State streets yesterday evening, Leon Keller, 22, of 3918 Central lane was arrested by Granite City police. He posted \$11 cash bond.

State police reported Hawke was driving west when his car apparently crossed the center line into the path of the east-bound truck. They set the time at 10:35 p.m.

The remains of Mr. Hawke and Mr. Smith were taken to Texas for funeral services and burial.

Motorcycle Spills Pair Spilled to the ground when their motorcycle went out of control at Fourth and Weber streets, Venice, Tuesday at 2:30 p.m., the owner, Louis Smith, 1224 4th avenue, Madison, and passenger, Ernestine Casey, 2029 Dewey avenue, declined medical attention for minor bruises.

Gayla L. Robertson, 30, of 2460 Washington avenue was reported in good condition at St. Elizabeth Hospital after her car sped over an embankment on Bypass 66 between the Chain of Rocks bridges shortly after midnight Tuesday morning.

County authorities said the accident apparently resulted when she lost control of her 1957 auto. There were no passengers, and no other auto was involved, they said.

Winners Are Named In Safety Poster Contest

Winners in the Quad-City Safety Council safety poster contest were announced today as Safety Week begins with the \$50 grand prize going to Linda Smith, 2521 East 23rd street.

Ten winners in all were announced by Council President Alfred J. Weider. Besides the grand prize, three awards were given in each of the three grade divisions. In all, \$140 in cash awards was given.

In the B class — grades six through nine — the awards went to Nancy Kuhrik, 2164 Grand avenue, first; Joyce Bufford, 4322 Mueller avenue, second; and Robert Jolly, 4010 Bandy avenue, third.

First prize in the C class — grades ten through twelve — went to Ernie Barry, 23 Briarcliff. Cattle Schaefer, 2629 Grand avenue, took second while third went to Daniel Hill, 2017 Washington avenue.

Judges Barry Loman, Roman Dukimper and Art Northway selected the winners from among 24 entries. The posters will be placed on display in the windows at local businesses.

The contest is part of the council's program for Safety Week, which begins today and runs through next Wednesday. The group has distributed over 2000 auto bumper safety stickers to the 15 member firms. The stickers are also available to the public.

Former Resident Will Present Service Bruce Hill of Miami, Fla., formerly of Madison, will present a service in message and song at the 11 a. m. service Sunday at First Presbyterian Church in Madison, Third street and Ewing avenue.

The service is sponsored by the Women's Missionary Society. Rev. Howard Lucas is pastor of the church.

Drunken Boy Found A 14-year-old boy was found apparently drunk in his yard by Granite City police last night. Questioned by police, the youth was returned to his home in the 2500 block of Denver street and scheduled to return today accompanied by his parents.

Head-On Crash The two Texans were killed in a head-on collision of a car and cattle truck Monday night on Bypass 66 at the bottom of Sunset Hill, just east of the Quad-Cities, and two other persons were injured.

Mr. Hawke was the driver of the auto, and Mr. Smith was a passenger. Both were pronounced dead of head and internal injuries at the scene of the accident.

The injured are John Hill, 41, Dorchester, Ill., driver of the truck, and Leonard Hopper, 35, Bunker Hill, a passenger. Both were taken to St. Elizabeth Hospital for emergency treatment, and then transferred to Barnes Hospital, St. Louis. Hospital personnel there said Hill suffered possible rib fractures, and Hopper had facial cuts and possible internal injuries. Hill was released later.

there," a resident said, adding, "The busiest night for traffic seems to be Friday."

"There have been two or three unexplained sounds of gunfire this summer," the reporter was told.

One homeowner found his ax lying in the road one morning. He later found that his garden hose had been stolen.

Traffic Jam From Accident Another recalled an auto accident at a curve of Bend road not long ago, late at night. Three taxicabs were lined-up, waiting for the wrecked car to clear the road so that they could proceed.

Another resident said she had been awakened by taxi drivers on more than one occasion. They either asked the location of the Bend of the Line, or mistakenly thought her home was the place.

When another woman was home alone one morning, a man suddenly came to the door, shouting, "Oh, they're after me! They're after me!"

Discussing the incident, she related that "he was scared to death, and so was I. Finally, he went on down the road to the next house."

A large, immaculately-kept black auto, with a statue on the dashboard, has been seen by some of the residents. It often has been followed by cabs.

One woman, employed in another town, said she has been embarrassed by the proximity of her home to the building. A man from the other town who had driven down Bend road to see the building mentioned to her that he had noticed her standing in her yard.

President Robert Franko told the Mitchell members that because of the Labor Day holiday the next regular meeting will be held Tuesday at 6:30 p.m. at Smith's cafe. He urged members to attend a board meeting.

Drunk Boy Found A 14-year-old boy was found apparently drunk in his yard by Granite City police last night. Questioned by police, the youth was returned to his home in the 2500 block of Denver street and scheduled to return today accompanied by his parents.

Head-On Crash The two Texans were killed in a head-on collision of a car and cattle truck Monday night on Bypass 66 at the bottom of Sunset Hill, just east of the Quad-Cities, and two other persons were injured.

Mr. Hawke was the driver of the auto, and Mr. Smith was a passenger. Both were pronounced dead of head and internal injuries at the scene of the accident.

The injured are John Hill, 41, Dorchester, Ill., driver of the truck, and Leonard Hopper, 35, Bunker Hill, a passenger. Both were taken to St. Elizabeth Hospital for emergency treatment, and then transferred to Barnes Hospital, St. Louis. Hospital personnel there said Hill suffered possible rib fractures, and Hopper had facial cuts and possible internal injuries. Hill was released later.

Vandalism Reported Traffic Fatality Ruled

Accidental death was the verdict at an inquest held last night in the death last Friday night of Mrs. Angeline Dorris, 55, of 2816 Forest avenue, who was struck by a car in front of the American Legion home in Venice.

Cause of death was given as shock and internal injuries resulting from being struck by an auto driven by Isaac A. Clemer, 60, of 1854 Edwardsville road, Madison. Two witnesses testified at the inquest, conducted by Francis J. Lehey, deputy coroner, at the Venice city hall.

Clemer declined to testify. The two witnesses were both riding in an auto immediately behind him, Rev. C. M. Steele, the driver, and Henry Hindman, both of Roanna, said they were traveling east in the 700 block of Broadway when they saw the Clemer auto suddenly swerve to the right. Then they saw that a figure was lying near the middle of the street on the left side of the car.

They estimated the Clemer auto was traveling between 20 and 25 miles an hour.

Innocent Plea Entered A Granite City woman pleaded innocent yesterday to charges of driving without a license and driving while under the influence of liquor. She was arrested after her auto allegedly sideswiped a parked vehicle on 18th Street at 5:50 p.m. Due to report back to Police Magistrate Gasparovic today is Eva Lane, 2623 Indiana avenue. Her west-bound auto damaged the left side of the auto of Russell Edwards, 46, of 1800 State street.

Even on nights when there are no taxis, autos periodically come squealing around the curves, and then return just as

quickly when they find only darkness at the end of the road, the residents report.

Steady Rise In Traffic On Inland Waterways

Inland waterway traffic figures for the Mississippi River for 1959 continues the steady increase that has prevailed over the past decade. Col. Alfred J. D'Arco, newly assigned district engineer, announced today.

He said that for that portion of the Mississippi between the mouth of the Missouri and the mouth of the Ohio, the rate of increase has stepped up slightly over the last few years.

The total tonnage carried in this portion of the river for 1959 was 29,327,697 tons, as compared to 25,701,271 tons for 1958. This represents more than 3 1/2 million tons increase, or a gain of 14.1 per cent.

The figures are preliminary, and a breakdown of commodities is not yet available from the statistical office at New Orleans. In previous years, however, petroleum products have been the outstanding leader in the commodities group, with coal, grain, steel, and chemicals playing an important part.

Col. D'Arco said that the port of St. Louis is predominately ahead of any other port on the Mississippi for inland waterway traffic between Minneapolis, Minnesota and New Orleans, La. The port of St. Louis tonnage jumped from 7,198,627 tons in 1958 to 9,254,173 tons for 1959, representing an increase of 28 per cent. He also noted that the tonnage at the St. Louis port is almost double that of ten years ago.

He added that with new commodities entering the inland water traffic, and with more improved terminals with efficient handling facilities, he expects to see the upward trend continue.

Clarence McMullen, 78, Passes Away Tuesday

Clarence L. McMullen, 78, of 1013 Third Street, Venice, father of McKinley Bridge Manager Henry K. McMullen, died at 10 a.m. Tuesday at St. Elizabeth Hospital. He had been ill three weeks and entered the hospital Monday.

Born in Jefferson county, Mo., Mr. McMullen lived in Quad-Cities 60 years and in Venice for the past eight years. He retired 12 years ago from the former American Cigar and Cigarette Co. plant. He worked as a laborer there 25 years.

His wife, Mrs. Bertha McMullen, died in 1951. He is survived by three sons, Henry McMullen of Venice, and Clarence Lee McMullen and Neel Williams, both of Madison; a daughter, Mrs. Joseph (Helen) Richardson of Madison; two sisters, Mrs. Elba Weber of Irving, Tex., and Mrs. Florence La Jaune of Festus, Mo.; and seven grandchildren.

Funeral arrangements are given in today's obituary column.

Mrs. Kate Sykes, 77, Succumbs In Hospital

Mrs. Kate Sykes, 77, of 2029 West 20th street died Tuesday at 6:45 p.m. at St. Elizabeth Hospital after entering the hospital Sunday. She suffered lung and heart ailments for five years.

A native of Stewart county, Tenn., Mrs. Sykes was a Granite City resident 17 years. She was a member of the Presbyterian church. Her husband, George Sykes, died in 1948.

Survivors include a son, Alex Sykes of Granite City; a daughter, Mrs. Wilson (Viola) Carney of Granite City; a sister, Mrs. Ella Earhart of Dover, Tenn.; three grandchildren and nine great-grandchildren.

Funeral services will be held tomorrow in Dover, Tenn. Further arrangements are given in the obituary column.

Mrs. Lillian Vincent, 48, Dies At Hospital

Mrs. Lillian Vincent, 48, of 2840 Dogwood drive died of lung cancer at 2 p.m. Tuesday at St. Elizabeth Hospital. She entered the hospital six weeks ago and had been ill since October.

Born in St. Louis, she was a Granite City resident for nine years. She was a member of the First Presbyterian Church in Granite City.

Her husband, Jesse David Vincent, is traffic superintendent at Granite City Steel Co. She is also survived by a son, David G. Vincent of Granite City; two daughters, Mrs. Edgar (Lillian) Hoffman and Patricia Vincent, both of Granite City; a brother, Edward R. Schirmer of St. Louis; a sister, Mrs. Virginia Schuster of Pacific, Mo.; and three grandchildren.

Funeral arrangements are given in today's obituary column.

Absence Of Speed And Depth Concern Two Football Coaches As Local Teams Begin Practice

Granite City and Madison high school gridirers granted and groaned through the first workouts of the season this week, and head football coaches Andy Sullivan and Glen Pickering were already worried about lack of speed and lack of depth, respectively.

"I think this is the slowest squad I've ever coached," was Sullivan's comment as he directed 60 candidates under a hazy sun in 92-degree temperatures.

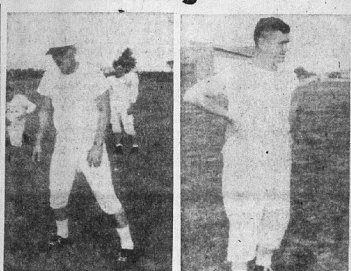

The Warriors went through the usual calisthenics and warm-up drills at the beginning of their morning and afternoon sessions on Monday and Tuesday and the first real contact work together with a light scrimmage, occupied the squad yesterday afternoon.

Sullivan was already running various pass patterns which the Redmen will use off of the T formation, and was moving quarterback hopefuls in and out on both the pass pattern exercises and line plays, which were run without opposition until yesterday.

"Boys, you're going to have to learn how to play one position, then probably learn a second one," Pickering told 35 varsity candidates on the Madison high school practice field, where it was just as warm as in Granite City and the squad was attired in full gear in contrast to light shorts sans hip pads in the Warrior camp.

The Trojans, linemen and backs alike, went through rough, no-holds-barred tackling practice their second afternoon on the field, but no scrimmage was scheduled until tomorrow or possibly Monday as Pickering worked with three quarterback hopefuls, a department where the drain of graduation is most keenly felt.

Pickering's theory is that he must have his squad in the best possible shape, since most varsity players will see double duty on offense and defense. The former Sparta mentor will direct the Trojans out of the wing-T this year, the same formation he employed with the Bulldogs.

CONCERN IS REFLECTED IN THE FACES OF HEAD FOOTBALL COACHES Glen Pickering of Madison high school (wearing cap) and Andy Sullivan of Granite City high school (right), who faced the usual pre-season problems on gridiron squads at each school began practice this week.

Although both coaches feel it is too early to determine the potential effectiveness of their respective offenses, the "minuses" seem to outweigh the "pluses" at this early stage of practice.

Sullivan is most concerned with speed, or the lack of it. "I don't think we could run an option play if we wanted to," and Granite City fans this fall may see a Warrior team which depends mainly on the intricacy of its pass patterns and sheer power up the middle behind a line that boasts experience at most positions.

Madison apparently has both speed and power in the backfield, but in separate players, and only if several vacate line positions they played last year. Pickering is at a disadvantage in that he must "discover" talent

Paddlers Plan Annual Swimming Show Sunday

Minnows and toddlers will get in the act at the fourth annual Labor Day program at the Paddlers Swimming Pool, 2121 Johnson road. And this is not to mention the fish.

These are the pool names for swimming classes—beginners, intermediates, advanced. They will put on special exhibitions at the all-day affair Sunday, Sept. 4.

In addition, films taken by future life-saving and diving exhibitions, a water ballet and comedy acts, Keith Parker, pool manager, said today.

Altogether, some 125 swimmers will display their skills at two free shows from 2 to 4 p.m. and from 7 to 8:30 p.m. "Minnows" will display how they were taught to swim, for 11, from 4 to 8 p.m. daily.

Toothbrush, Football Results In Injuries

A toothbrush, a bed and a game of football figured in minor injuries treated at the St. Elizabeth Hospital emergency room yesterday.

Accidentally hit on the upper lip with a toothbrush wielded by his sister, William Grable Jr., 12, son of William Grable, 1969 Pontoon road, received sutures to close the wound.

Four-year-old Ann Debeve daughter of Vincent Debeve, 2669 Adams street, also received sutures to close a scalp wound suffered when she hit her head against a bed.

Playing football yesterday evening, Gary Wallace, nine, son of Gerald Wallace, 640 Washington avenue, Venice, fell and suffered a fractured left shoulder. Hospital personnel took x-rays and applied a strap for support.

Also treated were Danny Jamerson, 10, son of Harvey Jamerson, 2127 Monroe street, for a cut right foot, and Etta Nappier, three, daughter of David Nappier, 1831 Alton avenue, Madison, a lacerated right leg suffered in a fall.

Barger's Advance 1-0; Exterminators Play Tonight

Novak Hurls One-Hit Gem In Second Round Play

Barger's Auto Service of Decatur became the first team to advance to the quarterfinal round of the Illinois Amateur Softball Association's Class "B" state tournament here last night. Decatur hurler Jess Novak, who struck out 20 in his first appearance, was credited with his second straight win in tournament play as Barger's topped Hedger's Trucking Service of Lexington 1-0. Lexington's Joe Phillips, who pitched one of the first round no-hitters, took the loss in a game which would have done justice to the state finals.

Phillips gave up only three hits, but Barger's bunched two them—a ground double to left by Smiley Cowgill and a run-scoring single by John Rose with

a costly Lovington error in the top of the seventh to score the only run of the game.

Q-C Team vs. Co-Op
In second-round play at the Wilson Park diamond tonight, Modern Exterminators, the Granite City host team, which drew a first-round bye, met Wayne Co-Op, 3-0 winners over the Carbondale Martin Oilers, at 7:30; and 2nd Church of Christ of Danville takes on the Olive Branch Civic Club in the second game at 9.

In the final first-round game last night, Ramsey American Legion scored three unearned runs in the first and hung on to defeat Shelbyville, winner of the Strasburg regional, 6-2. Novak, who has a good chance of establishing a new strikeout record for a Class "B" state tournament, should Barger's advance past the quarter-finals, fanned eight of the first nine batters he faced, and retired 10 straight before Jim Pierce scratched an infield hit in the fourth.

Struck By Throw
Pierce swiped second and when catcher Rose threw wildly into center field, moved around to third. Backing up the play at third, Novak was struck in the outfield, and there were a few anxious moments before the

hurler said he would be able to continue. He worked out of the inning, the only one in which Lovington threatened, by striking out the next two, and then sent Hedger's down in order in the fifth and sixth and got the first two batters in the seventh before losing his first and only walk. Howard Hull tied to left to end the game.

Phillips was well on his way to a second straight no-hitter until Novak spoiled it in the sixth. Until the pitcher bounced a single between short and third to lead off, Phillips had allowed just one baserunner, Gene Howell, who walked to lead off the third, and had struck out six.

Although Novak moved down to second on an error, Barger's could not score. Novak was caught between second and third, run down and tagged out on Larry Shook's grounder.

Cowgill's double, which included a bit of daring baserunning and resulted in a hurried throw from left fielder's choice was the break Barger's needed in the seventh. Paul Nixon went down swinging for the second out, but Rose followed with a hot shot past Shortstop Pierce to score Cowgill east.

Pitcher Doubles
Three Shelbyville errors, a wild pitch and a fielder's choice gave Ramsey all it needed to win in the opening inning of the first game. Two walks, a double by winning pitcher Bill Hoffman and an infield out got three more home in the sixth.

Each team collected only three hits, and both committed four mistakes. Shelbyville scored single markers in the first and seventh. Buck Helton was the losing pitcher.

Mid-Town, Odd Fellows Win
In Tuesday night first round games, Alton Mid-Town jumped off to a 4-0 lead and then hung on to defeat Coffeen 4-2. The Decatur Odd Fellows scored seven first-inning runs on only three hits in the second game and had little trouble with B and R Oil Co. of Paxton, winning the loosely-played contest 13-5.

The Mid-Towners, winners of the Wood River regional, got a six-hit pitching effort from Bob Bryant, who weakened only in the Coffeen fifth when he gave up both runs by issuing two walks and giving up three singles.

Alton scored twice in the first off loser Fred Newcum, with Jack Terlisner's single the only hit in the frame. Bob Lyons' two-bagger drove home another tally in the third, and the final Alton marker scored on a two-base error and single in the fourth. Newcum gave up only five hits, but his teammates committed just as many errors.

Seven-Run First Inning
The Odd Fellows, runners-up at Decatur, scored seven runs in the first before a single put out was made by a jittery B and R team which committed a total of seven mistakes.

Decatur racked loser Sam Farris for 10 hits, including doubles by Ed Campbell and Lee Trolls. Campbell, Trolls and Dick Oyer each drove in two runs for the winners.

Don Lewis picked up the victory, but needed help from Pat Colburn with two out in the sixth and all five B and R runs in. Ron Veeder had a double in that frame for B and R.

Merchants Parfait
On Monday evening, Granite City's Ravens advanced to the second round with the greatest ease—on a forfeit win over the Anna Merchants, who had not put in appearance at Wilson Park for forfeit time, one half hour after the game was scheduled to start.

The Ravens will meet Eureka-Williams of Bloomington at 6 p.m. Saturday. The Bloomington team shut out County Companies Insurance in Monday's second game 5-0 as Larry Schwartz and J. C. Spurgeon combined on a three-hitter. It was the fifth blank job of the tournament.

Eureka-Williams, another returnee from last year, collected only five hits off losing pitcher Benny Leonard, but played airtight defense.

The winners' big inning was the fourth, when they plated four runs on two singles, a pair of stolen bases, a walk and five mistakes. The only extra-base hit of the game was a double by the losers' Vance Pearson.

Miss Mueller, Toburen, Barnes Win Titles In Park District Net Tourney

Miss Gay Mueller, Rusty Toburen and Mike Barnes captured the first three championship trophies to be awarded in the Granite City park district's tennis tournament yesterday evening at the Wilson Park courts. Semi-finals and finals in five other divisions are scheduled to be completed tonight.

Miss Mueller defeated Miss Beverly Rusick in the finals of the girls' 15 singles division, 6-3, 6-0. Toburen became the titlist in the boys' 13 singles by stopping Drew Karandjeff 6-1, 7-5 in the final.

Barnes defeated Bill Logan 6-4, 7-5 in the finals of the boys' 15 singles rallying from 0-5 in the second set to win seven straight games and the match.

Dave Moss and Bill Logan will be matched this evening in the finals of the junior men's singles division. Moss defeated Toburen 6-0, 6-1 in the semi-finals, while Logan stopped Keith Veizer 6-4, 6-0 to reach the finals.

In the semi-finals of the juniors division, to be played this afternoon, Moss and Toburen will take on Tom Moore and Ted Schaeffer, while Veizer and Virgil Kirksey play Logan and Barnes.

Several quarter-final matches remain to be played in the men's singles division. Already in the semi-finals, however, are Moss, with a 6-0, 6-0 win over Ron Sherman, and Jerry Gruen, who stopped Barnes 6-3, 6-2. The division is scheduled to be completed tonight.

All games in the men's doubles division and the unique father-and-son doubles division have yet to be played. Tournament Manager Ron Underwood said this morning that final matches in these two groupings probably will not be played until tomorrow. The park district tournament is the third tennis meet played on the Wilson Park courts in the past three weeks.

Classes. Just a warmer-upper for the long pull ahead. But the term will not be unrelieved, since holidays and recesses will spangle the calendar. Here are some of them, as enumerated by Wilbur R. Trimpe, Madison county school superintendent:

Labor Day, Sept. 5; County Teachers' institute, Oct. 20; Illinois Education Association conference, Oct. 21; Veterans' Day, Nov. 11; Thanksgiving recess, Nov. 24 and 25; Christmas vacation, beginning Dec. 19 at some schools and Dec. 22 or 23 at others, with all schools reopening either on Jan. 2 or 3, 1961.

Schools of the county will also be closed on Good Friday, March 31, and on April 3, marking Easter Monday, and classes will be suspended April 7 for a County Teachers' institute.

Countywide, Supt. Trimpe has predicted, on the basis of a survey and reports, there will be an enrollment boost of 1974 and the faculties of the county will be 288 teachers.

His office disclosed that at the June conclusion of the 1959-60 academic year, there were 52,963 pupils enrolled in Madison county. There was at that time, an army of 2028 teachers.

In Granite City, the task of getting ready for the influx of pupils has been assigned to school administrators meeting a full schedule of conferences, policy-outlining, and discussion forums. Schools principals met Tuesday and Wednesday, the new teachers breakfasted this morning, and all teachers and principals are to meet Friday at 9 a. m. at the high school. The board of education has been invited to attend all the scheduled meetings, and particularly to share in this morning's breakfast to welcome the faculty newcomers.

High on the agenda of the Tuesday and Wednesday "orientation" sessions were the assignment of new personnel and the discussion of such diverse topics as classroom organization, and the pattern, and to provide, for the organizations, administrative organization of the school system, basic texts and other instructional material.

The aim and goal, according to Supt. Kaiser, was to give the faculty newcomers an over-all picture of the Granite City district, its people and educational pattern, and to provide, for the parents who want to get the youngsters to school on time, and for the pupils who don't want to be ridden by "tardy" marks, are the hours for schools of Community Unit District No. 9.

Elementary schools, kindergarten to 6th grade—in general, the elementary schools begin at 9:45 a. m.; recess from 10:30 to 10:45 a. m. (at times, inclement weather may prevent this); lunch from noon to 1 p. m.; recess, 2 to 2:15 p. m.; and dismissal, 3:30 p. m.

As a footnote, it is pointed out that "the kindergarten schedule must be two hours and 30 minutes in length, exclusive of recess periods."

Junior and senior high schools —In general, the length of the school day will be from 8:10 a. m. to 3:25 p. m.

All public school principals are to "provide five clock-hours of school work under the direct supervision of teachers." Recess periods and lunch hours must be added to the five clock-hours of school work.

So, there's a rigid five-hour day ahead for the 11,744 kindergarten excepted.

Supt. Kaiser has announced curriculum advances for the 1960-61 academic term. In an announcement earlier this week, he revealed that new texts have been added, as has visual aid material.

For the three junior high schools, there are major curriculum adaptation. Language, arts and social sciences will be combined in a two-hour period in the 7th and 8th grades; and biology will be offered for the first time at the 9th grade level.

Developmental reading and a semester of accelerated chemistry have been added to the high school program.

This latter curriculum development is in line with the nation's growing consciousness of the worth and need of scientific instruction in secondary schools, school officials have noted. A well-known Eurasian nation —not to be credited here — is said to stress this subject. Local schools are not to be bypassed.

Driver Arrested For Following Too Closely

A driver was arrested after his auto ran into the rear of another auto, that had slowed to make a left turn from 21st street onto Iowa street at 1:20 p. m. Tuesday.

Police arrested James A. Lewis, 20, of 2906 Denver street for following too closely. For his release, Lewis posted his driver's license.

The other car was driven by Loretta A. Thiel, 27, of 619 Lincoln avenue, Venice. Both were heading east on 21st.

DISASTER

On Dec. 8, 1963, 2500 persons were burned to death in a church fire in Chile, a record for the greatest number of people killed in a building.

Space Sought For 3rd Circuit Court Room

Ways to obtain space for a third circuit court room in the Madison county courthouse were discussed Tuesday during a meeting conducted by the courthouse committee of the county board of supervisors.

Circuit Judge James O. Monroe Jr. urged utilization of the grand jury room, a proposal opposed by Assistant State's Attorney Joseph Bartylak. Circuit Judge Joseph J. Barr and John Dufner of the County Bar Association suggested use of the present Madison County Museum quarters, but the discussion failed to develop a new location for antiquities and displays currently in the museum.

Monroe said present facilities are inadequate and he is considering moving his personal court chambers "back to Col. Linville." All of the rooms under discussion are on the third floor of the courthouse. The committee said it hopes to have a location soon for the requested court room.

Careless Driving Charge

Walter R. Slahy, 20, of 1211 Meridian street was issued an arrest notice by Venice police for careless driving on Broadway in the Venice school vicinity Tuesday at 1:50 p. m. Posting cash bond, he was released pending a hearing Saturday.

CASUAL CONTINENTAL TIGHTS

Slacks by Billy the Kid

NATIONALLY RECOGNIZED

Cotton is king for easy care and economy... Continentals are correct for the right note in boys slack styling. A happy combination that pleases boys and mothers too. Billy the Kid has chosen the "just right" fabrics and colors that set the pace for schoolboy wardrobes. Rugged and practical... casual and smart, here are slacks to wear with pride and confidence for school or dress.

Window Screen Removed

Someone pried a screen from the south upstairs window at the home of Norman Randall, 2906 Sheridan avenue, between 6 a.m. Tuesday and 1 p.m. Wednesday, he reported to Granite City police. Randall said the tool used apparently was a screw driver, but so far he has been unable to determine if anything was taken.

Growth Of Area Certain, Extent Depends On Degree Of Preparation

Will the Quad-City community continue its rapid growth of the 1950s during the 1960s?

Gustav E. Larson, deputy director of the Office of Area Development, U. S. Department of Commerce, says: "Most small towns located within the influence of larger population centers will probably grow whether they want to or not. It is these small towns which have the best opportunities of acquiring the larger plants. The problem here is one of planning for orderly growth more than one of stimulating growth. It is in communities of this type that industrial parks may be a real inducement to new industry because adequate sites are often not available in the nearby metropolitan areas."

It is interesting to note that this area meets every phase of the description of an area ripe for expansion, and has only to consummate the current efforts to establish Madison county zoning and land use planning in order to prepare for orderly growth.

Director Larson's view is that the Quad-Cities and Madison county are going to grow industrially and in population, whether they want to or not. If the citizens and government can expedite this by adoption of county zoning and land planning, the growth will be much faster and more extensive.

Writings Of Ancient Philosopher Still Used As Guide By Political Candidates

During the first phases of this year's political campaigning there has been much harkening back to the days of the ancient past, with references to heroic figures and philosophers as examples of action and wisdom that can be helpful in considering present-day problems. Just how effective this will be politically remains to be seen, but it may be of interest to take a look back along with the candidates.

One of those most frequently referred to has been Plato, famous Greek philosopher who lived from 427 to 347 B. C. It was Plato who first said, "Necessity, who is the mother of invention." He also noted that "no human thing is of serious importance, but the soul of man is immortal and imperishable."

Many of his comments are surprisingly up-to-date. He wrote that "when there is an income tax, the just man will pay more and the unjust less on the same amount of income." Long before the space age he said, "Astronomy compels the soul to look upwards, and leads us from this world to another."

He called democracy "a charming form of government, full of variety and disorder, and dispensing a sort of equality to equals and unequals alike." In the field of religion, Plato had these views: "And this which you deem of no moment is the very highest of all. That is whether you have a right idea of the gods, whereby you may live your life well or ill. Not one of them who look up in his views with this opinion, that there are no gods, ever continued until old age faithful to his conviction."

On the topic of education, he wrote, "The direction in which education starts a man will determine his future life." On general topics, he had this to say: "Beauty of style and harmony and grace and good rhythm depend on simplicity." And, "The beginning is the most important part of the work."

Since the candidates themselves are freely discussing Plato and the subject of age, with its connotations of youth or maturity, perusal of his writings naturally has led to the topic of age. However, several shades of opinion are found.

On the one hand, he said, "Solon was under a delusion when he said that a man when he grows old may learn many things—for he can no more learn much than he can run much. Youth is the time for any extraordinary toil." On the other hand, he noted that "the judge should not be young. He should have learned to know evil, not from his own soul, but from late and long observation of the nature of evil in others."

Plato had this advice for all: "He who is of a calm and happy nature will hardly feel the pressure of age. But to him who is of an opposite disposition, youth and age are equally a burden."

78th Observance Of Labor Day Will Be Accompanied By Driving Hazards

A holiday of importance to the Quad-Cities, Labor Day, will mark the end of the current vacation and summer recreation season. Observed on Monday, September 5, the occasion will climax the last of three long holiday weekends this summer.

First celebrated with a parade in New York City in 1882 by the Knights of Labor, the workmen's holiday has steadily gained in recognition and general participation, becoming one of the nation's principal holidays.

The labor organization adopted a resolution in 1884 designating the first Monday in September as Labor Day, and Oregon passed the first law declaring it a holiday on February 21, 1887. New York, New Jersey and Colorado soon took similar action. Congress voted on June 28, 1894, to make it a legal holiday for federal workers and the District of Columbia, leaving further participation up to each state. By 1928, all but one state and one territory had enacted laws designating Labor Day as a holiday.

The event honoring the working people of America seems destined to be marred again this year by widespread injury and death on the highways. Traffic will be heavy as motorists take advantage of the holiday to visit relatives or resorts and to return from vacation trips.

With comparatively good safety records during the Memorial Day and Independence Day holidays this year, local residents again are being urged to exercise extreme care in their weekend motoring. A traffic safety slowdown is occurring here in August, making a return to cautious driving especially important.

Illinois records relating to Labor Day hazards reveal five main causes of fatal accidents—speeding, following too closely, failing to yield the right-of-way, reckless driving and driving while under the influence of alcohol. Other causes include fatigue and inattention.

Control Of Pets Necessary If Children Are To Avoid Painful Rabies Shots

Frequent instances of children being bitten by dogs have been reported in the Quad-Cities this summer. When this happens and the animal cannot be kept under observation to see if it is rabid, the youngsters must take the long and painful series of anti-rabies inoculations.

The shots are necessary whenever there is doubt about whether a child has been infected, because rabies nearly always proves fatal to humans. But there is no doubt that they cause excruciating pain for the child, as well as worry and concern experienced by the parents.

Best answer is to avoid being bitten, and control of pets by their owners could do much to aid authorities in keeping all unmuzzled dogs off the streets. If voluntary efforts prove inadequate, local authorities ought to consider stepping up their enforcement programs and seeking stronger leash and muzzle laws if necessary.

Fined On Two Charges

Joseph W. Ray, 33, of 2414 East 24th street was fined \$30 by Venice Police Magistrate Wesley Edwards Monday evening on charges of being drunk and disorderly at 10:35 a.m. Aug. 28 near McKinley Bridge. Arrested with Ray on similar charges, Hamilton Adams, 45, of 800 Water street is awaiting a Sept. 3 hearing.

Mrs. Edna Ritz, 634 Lincoln avenue, returned home Tuesday evening from Boone, Tenn., where she had attended the funeral of an uncle, Henry C. Culp. She spent Monday evening at the home of a nephew and niece, Mr. and Mrs. Cecil Teeter and daughter, Wanda Kay, of Duplo. The trip to Boone, Tenn., was made by car with Mrs. Leona Haas of Lenzburg, Ill.

St. Mark's Intermediate Girl Scout Troop 61 met Tuesday afternoon with the co-leader, Mrs. Margaret Lee and Mrs. Margaret Reideberger, who accompanied them to the rectory of St. Mark's Church. The final steps toward the Marian award were heard by Rev. Robert C. McCarthy.

Plans are now being made for the reception of the medal, which will be received from the Youth Councils Catholic Youth Organization of the diocese in Springfield, Ill. Girls attending were Mary Donna Scaturro, Marilyn Genterman, Nancy Scaturro, Kathy Ochoa and Virginia Pace.

Scoutmaster Harold Koelker was in charge of Boy Scout Troop One at a meeting Monday evening at the scout home on Broadway. Following a brief business session, the boys passed by boys working toward the second class badge. Activity games were played, and boys present were Jerry Bartlett, Buddy Koelker, John Hommes, Jim Cantrion and Dan Brown.

Mr. and Mrs. Frank Griffin and children, Jeanette, Denise, Frank Jr., Michael and Donnie, 615 Washington avenue, and Mr. and Mrs. Ray Klueter and children, Linda and Freddie, of Edgewood, returned home Sunday from a camping and fishing trip to Murphyboro State Park.

Weekend guests at the home of C. A. Riddle and Mr. and Mrs. Gerald Wallace and son, Gary, 640 Washington avenue, were Mrs. Stella Hanev and Mrs. Edna Dowd and children, Brenda and Bobby, of Haganan, Ill.

Mr. and Mrs. Keith Dillman and children, Keith and Billy, of Greenville, Ill., were dinner guests Sunday evening at the home of Rev. and Mrs. Craig R. Dillman and family, 419 Lincoln avenue.

Rev. and Mrs. Craig Dillman and children, Joyce, Sharon and Karen, 419 Lincoln avenue, attended the Shipman III, homecoming on Tuesday evening.

Miss Barbara Koelker, Miss Patricia Wilkinson and Willis Stover, all of Venice, and Tom McCoskey of Granite City, spent Sunday at the DuQuoin State Fair.

limb protruding into the river, supports the belief that he was thrown from the place where he was found. The current is unusual in this area, swirling northward along the shore and then circling back, tearing objects in approximately the same location rather than sending them downstream.

Found in a dumping area, the hat was crushed and battered. Since the hat was found so near the river, and since it has been established that the victim bled only slightly from the severe neck injury, it is believed possible that he might have accompanied someone to the riverfront and suffered the beating there.

Timetable Prepared
Questioning of his friends, acquaintances and others has enabled a fairly accurate timetable to be drawn up. The Press-Record learned today:

It is known that Mr. Portelli worked until 3 p.m. at the American Steel Foundries. He is believed to have gone from there to the Gates tavern in the 1800 block of State street, where he purchased a six-can carton of beer.

He returned to the Gates tavern at about 7 p.m. for a drink, after supper from 7:30 to 8:30 p.m. at the restaurant at N. Niedringhaus avenue and State street.

By 9 p.m., he had traversed the 1900 and 1800 blocks of State street and had reached the Tip-Top tavern, 1800 State street, where he bought cigars.

Seen Talking To Man
Between 9:20 and 9:30 p.m., he was seen talking to an unidentified man on the sidewalk in front of Millie and Mickie's tavern, 1800 State street. Shortly after 9:30 p.m. he was seen in the Moose lodge, and is believed to have left a few minutes later.

There the trail ends. With the aid of the local police in filling in more details, the police hope to reconstruct more details of a night that ended in tragedy.

No date has been set for the inquest, which is to be conducted by Deputy Coroner Henry Pieper.

The body was found on the evening of Aug. 22, and was identified two nights later. Burial took place Aug. 27, with services being conducted Tuesday morning at the Sacred Heart Catholic Church.

Mr. Portelli was the father of William "Butch" Portelli, Democratic candidate for circuit clerk of Madison county. He also is survived by his wife, from whom he was separated, four other sons, five daughters, four brothers, 28 grandchildren and two great-grandchildren.

Inquest In Drowning To Be Held Next Week
An inquest into the death of James Dale Sanders, 21, of 1055 North 39th street, Washington Park, East St. Louis, who drowned Sunday in the Chain of Rocks canal, will be held next week, Deputy Coroner Henry Pieper said today. A definite date has not been set.

Sanders, who was rated an excellent swimmer, was swimming with three other youths, including his brother, Gerald, 17. They had been in the water about 45 minutes when Sanders suddenly called for help, the deputy coroner said. But the others were 200 feet away and he went down before they could reach him.

The water was about 30 feet deep in the area, and with the canal lock gates closed there was little current in the water. The body was recovered about 6:40 p.m. Sunday with the aid of grappling hooks after rescue units searched for about four hours. Units from Mitchell, Long Lake and Wood River, plus a Coast Guard crew participated.

The drowning occurred about one-half mile north of the canal bridge off the east bank. When a chocolate sauce recipe calls for water, try using fresh strong coffee instead for a delightful mocha flavor.

GIRLS AUXILIARY ELECTS

The Girls Auxiliary of the First Baptist Church met Tuesday afternoon at the home of the leader, Mrs. Wayne Walton, 1823 Sixth street. An election of officers was held, with Janice Warren named president; Lydia Chastain, secretary; Sandy Wood, treasurer; Paula Rongey, prayer chairman; Karen Barnett, program chairman; Sharon Mowery, social chairman; and Karen Brown, community chairman.

JOINT ANNIVERSARY, CHRISTENING OBSERVANCE

A joint celebration was held Sunday afternoon at the home of Mr. and Mrs. Walter Macios, 1925 Harris street. The christening of Lawrence William Opich, three weeks old, son of Mr. and Mrs. Edward Opich, 2581 East 27th street, and grandson of Mr. and Mrs. Macios, was observed along with the 25th wedding anniversary of Mr. and Mrs. Macios.

Godparents for the infant were Miss Dorothy Macios, an aunt, and Henry Blenick, a cousin. Father, Klesiewicz, officiated at the christening held in the late morning at the Sacred Heart Polish Church in Madison. A barbecue was held on the back lawn of the Macios home, with large outdoor tables decorated for the occasion and centered with a silver-trimmed cake for the anniversary. Many gifts were placed on the gift table for the two events.

Out-of-town guests included

Mr. and Mrs. Roy Tesson and son, Dick, Mr. and Mrs. Carl Opich and children, Sherri and Johnny, Mr. and Mrs. Michael Opich and sons, Michael and Tommy, Miss Barbara Addison and Mrs. Robert Schum, all of St. Louis, and Mr. and Mrs. Walter Babiec and daughter, Rose Mary, Rita, and Susan, of Belleville.

Quadrant guests and relatives included Mr. and Mrs. Andrew Opich and son, Bob, Mr. and Mrs. Fred Macios and sons, Jerry and Dave, Mr. and Mrs. Ted Macios and daughters, Lynda and Donna, Mrs. Stanley Macios, Mr. and Mrs. Carl Macios and daughters, Jo Elaine and Carla, Mr. and Mrs. Henry Macios and daughters, Pam and Jaglos, Mr. and Mrs. Joe Blenick and children, Gloria and Henry, Mr. and Mrs. Don Corbett and children, Ricky, Gloria, Donald and Michael, Mr. and Mrs. Edward Opich and sons, Eddie and Larry.

New Junior High, GCHS Addition Open Tuesday

When Granite City high school students file through the school doors next Tuesday, more than 400 new desks will be waiting for them. And come Tuesday some 825 junior high school students will find an entire new building at 2300 West 25th street.

Marvin Dean, school engineer, said the new 16-room addition to the high school duplicates the main building's architecture, but features such streamlining as aluminum instead of wood sashes, and asphalt tile floors instead of hardwood.

Light colors predominate throughout the completed section, which contains classrooms and two general science rooms.

Some 326 steel lockers have been installed on the two floors. Except for "minor odds and ends," Dean said, the section is completed.

28-Room Structure
The new junior high school, as yet unnamed, is a one-story brick building containing 28 rooms. Serving grades seven through nine, it will offer a full athletic program, curriculum and extra-curricular program, all patterned after Coolidge Junior High, Principal Walter Klein said.

In addition to regular classes, **Granite City PRESS-RECORD** Page 16 Thurs., Sept. 1, 1960

rooms, it has foods and clothing; band and vocal rooms; metal, wood and electric shops; science and arts and crafts rooms; a cafeteria; and a large gymnasium.

Room ventilators and air ducts have been incorporated in the construction to permit installation of air-conditioning units at a future time.

Awalt Shelves
Except for installation of a few library shelves, the junior high school, too, is ready for full-time use.

Principal Klein pointed out that even though the building was designed for a capacity of 600 students, an initial enrollment of over 800 will make it overcrowded from the start.

The Granite City high school addition, begun in July 1959 on a federal grant of \$80,000, actually contains two sections.

The second section, a one-story building with four classrooms and three shops, will be completed "sometime in October," School Engineer Dean estimated.

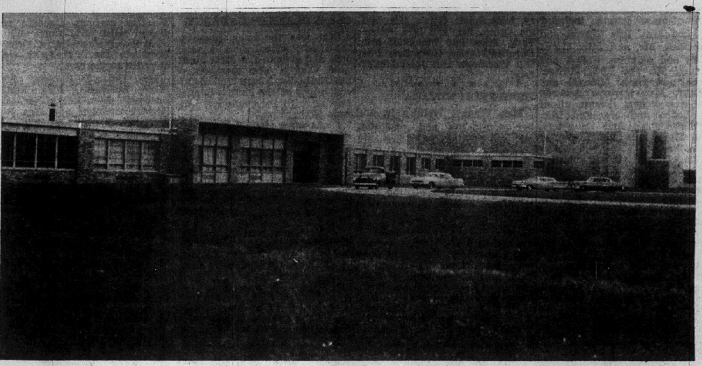

Originally planned for opening along with the completed section, construction was slowed due to a six-week strike last summer.

Carl Lundholm, University of New Hampshire athletic director, is president of the New England Intercollegiate Amateur Athletic Assn.

LARGE JUNIOR HIGH school at 2300 West 25th street, designed to accommodate some 600 students initially, will open its doors next Tuesday to an initial enrollment of over 800 youngsters. It contains 28 rooms, including a cafeteria and special classrooms for band, shop, arts and crafts, food and clothing, band and vocal music. Windowless section at right is the gymnasium.

OATMEAL ORANGE NUT BREAD

For Sunday night or a simple luncheon, what could be more appealing than a scooped-out melon filled with fresh fruit salad, Oatmeal Orange Nut Bread and butter and a tall pitcher of lemonade or fruit punch?

Make this delightful bread ahead and your enticing little meal is almost ready.

- 3 cups sifted all-purpose flour
- 4 teaspoons baking powder
- 4 teaspoon soda
- 1 1/2 teaspoon salt
- 1 1/2 cups rolled oats, quick or regular, uncooked
- 1 cup chopped nuts
- 2 teaspoons grated orange rind
- 1 1/2 cups orange juice
- 3/4 cup honey
- 1/4 cup melted fat

Sift together flour, baking powder, soda and salt. Stir in oats and nuts.

Combine orange rind and juice, honey and fat. Add to dry ingredients, mixing only enough to moisten ingredients.

Turn into greased 9 by 5 by 3-inch loaf pan. Bake in 350 degree oven until done, about 1 hour. Yield: 1 loaf.

TYPE OF ART

Surrealism is from the French "surrealisme" and expresses the idea of "above or beyond reality"; hence a type of art which purports to express ideas without relation to reality, as in a dream or nightmare.

The stone images or photographs on Easter Island remain a mystery. No one can read the inscriptions and they have no known connection with any language outside the island.

College fraternities are almost as old as the United States. The first, Phi Beta Kappa, was founded Dec. 5, 1776 at William and Mary College in Virginia.

2 Cars, Same Owner Damaged In Accident

Two cars owned by the same man were damaged in an accident on Edwardsville road Tuesday when a double-trailer acid truck pulled over "a little too much" to let cars pass, the driver told Granite City police.

The cars, both parked, were owned by Archie D. Pulley, 1228 Edwardsville road, where the accident occurred at 1:15 p. m. Both were damaged on the left side.

A third parked vehicle, a 1959 sports car, also was damaged when one of Pulley's cars was pushed into it, police said. The owner is Niel E. Dettweiler, 2536 East 25th street.

The truck, owned by C. K. Williams, East St. Louis, and driven by Ray P. Fetsch, 65, St. Louis, was damaged on the right side. Arrested for careless driving, Fetsch paid \$11 cash bond.

On Cincinnati's first California trip this season, southpaw reliever Bill Henry saved three games for starting pitchers.

FRESH PEAR KUCHEN

There are days when you like a lazy, leisurely breakfast, with a few extra touches. These "touches" are especially appealing when the cook can combine the old-fashioned with the modern book.

As a special treat for the family, here's an old world dish made with fresh pears and a pizza dough mix as a time-saver. (You can save the pizza sauce and cheese for your next meat loaf).

Fresh Pear Kuchen
1 pkg. pizza mix
2/3 cup sugar
4 firm-ripe fresh pears
1/3 cup flour
1/3 cup butter or margarine
Follow the directions on pizza package for dough and rising period. With fingers, spread out dough on well-greased round pizza pan or cookie sheet. Sprinkle with 1/3 cup sugar. Slice pears and arrange in spoke-fashion around dough. Mix remaining sugar with flour and butter and sprinkle over top. Let rise until about double. Bake in 350-degree oven for 25 to 30 minutes or until brown. Serve hot. Yield, 6 to 8 servings.

Luncheon Sept. 14 For Graduates of Politics Courses

A unique program, a recognition luncheon honoring graduates of local practical politics courses, will be given by the Chamber of Commerce at noon Wednesday, Sept. 14, at the YMCA. John McBride, luncheon chairman, announced today.

Invitations were sent out yesterday to 159 graduates of 10 local courses. Chamber directors and Congressional action committee members and persons enrolled in two new sessions scheduled to start Sept. 12.

Cong. Melvin Price has been obtained as the guest speaker. It was reported by McBride, Union Starch and Refining Co. vice-president and general manager.

McBride was the original local instructor in practical politics and has conducted all of the sessions held at the C. of C. office.

Operation 'Sky Shield' CD Meeting Next Week

When the North American Air Defense Command (NORAD) holds exercise "Sky Shield" Saturday, Sept. 10, some 200 Granite City civil defense personnel may take part, Assistant Director Victor Koenig said today.

Plans are still incomplete, awaiting a committee meeting next week to determine what local participation will consist of and where it will take place, Koenig said.

He said he believes the local control center will "operate fully, using all services, trained personnel and equipment" unless a decision to the contrary is made at the meeting.

Activities here would involve police, fire, rescue, health-medical and welfare services, Koenig said. In addition, regardless of what the county program will include, Koenig said radiation detection teams equipped with Geiger counters would participate.

On a statewide basis, the Strategic Air Command will pose as aggressors and seek to penetrate U. S. defenses. Civilian planes may be grounded from 1 a. m. until 7 a. m. Sept. 10, and some 1000 jet interceptors may be available for the exercises.

Electronic counter-measures will be used by the simulated enemy to attempt blocking of ground radar installations, including commercial radar at airports and weather scanning radar.

The Madison CD unit does not plan to participate in the exercise.

7 From GC, Madison At Rotary Conference

Seven Quad-City Rotarians attended an annual conference of the 56th district of Rotary International held Monday and Tuesday in Jacksonville, Ill. Over 40 clubs were represented. Those attending were President Dean Mabery and Secretary Ray Ruffer of the Granite City Club and from the Madison club Vice-President Fred Schmidt, William Mehl, Christ Louis, E. Castellani and Howard Lucas.

At Tuesday's Granite City Rotary meeting here, Mike and Gene Gaertner addressed the club on termite control and showed a motion picture dealing with the problem. Owen Day was program chairman, and Vice-President Glenn Abernethy presided.

At yesterday's Madison Rotary luncheon, Mehl reported on the district session and Program Chairman Larry Palikes introduced Alex Markuly, who reviewed new developments in photography.

Dr. Vernon Leaves, Replacement Sought

Dr. George H. Vernon, medical director and superintendent of the Madison county sanatorium for the past seven years, left yesterday to assume his new duties as medical director of the DuPage county sanatorium board. He was honored at a farewell party arranged by the trustees, staff members and employees Monday evening.

Dr. Walter Broker, medical director of the Pleasant View Sanatorium in St. Clair county, will serve as acting medical director and superintendent here until a permanent replacement is obtained. Donald Himmen will remain at the Madison county sanatorium as assistant superintendent.

Applications for Dr. Vernon's position are being sought by the sanatorium board of trustees, composed of Dr. George H. Schmidt, Jr. of Edwardsville, president, Louis P. Gleiber of Alton, vice-president, and Dr. Eugene F. Moore of Collinsville, secretary.

Scout Kickoff Tonight

Unit district Boy Scout commissioners will hold their fall kickoff meeting tonight at 7 o'clock at the First United Presbyterian Church in Granite City. Bernard Miller Jr. will preside, and topics will be the "minute man" program, council fall camporee and round-up plans and a Sept. 24-26 commissioners' conference at Camp Sunken.

CHARLES MIDYETT celebrated his 16th birthday yesterday by soloing six airplanes from the family-owned Lakeside Airport. Slightly tired, the Granite City high school

junior stands by a Navion aircraft, his first solo-flight ship. Some of the other planes he flew yesterday are shown in the background.

FULL THROTTLE down the Lakeside Airport runway, "Chuck" Midyett eases back on the stick for a smooth solo take-off. The student pilot has 600 hours of dual flying time, and hopes someday to be an airline pilot.

Air Solo By Boy, 16—Not Once But 6 Times

Charles "Chuck" Midyett celebrated his 16th birthday anniversary yesterday by solo flying in quick succession six different types of airplanes, valued at \$35,000, from the Lakeside airport.

His father, Omar Midyett, owns the airstrip and the family resides next to the field.

While yesterday's venture was the first time Chuck could officially take up a craft, under the Federal Aviation Authority's

minimum age ruling, the Granite City high school junior cannot accurately be described as a fledgling pilot.

Flying Since Nine

At the controls since he was nine years old, Chuck has amassed a total of 600 hours of dual flying time.

However, even with this great number of hours in the air, he will have to wait until another anniversary rolls around before he can qualify for a private pilot

license. Another FAA regulation states that the applicant must be at least 17 years old to take the federal flight and written examination.

In the meantime, young Midyett will content himself with flying alone in the "wild blue yonder" on a student pilot's certificate.

And what does Charles Midyett want to be when he's finished with school? You guessed it... an airline pilot.

Summer Street Work Nearing Completion

APPLICATION OF LIQUID ASPHALT to dirt streets in Granite City, an annual summer repair program, is nearing completion, according to Supv. of Streets William Warfield.

Shown above is the asphalt truck at work in the Haintzville area, while to the right is a dump truck operated in reverse to spread chat over the freshly asphalted street.

Warfield said this year's repair program is more extensive than in past years because of the severe damage to streets by freezes and thaws during the past winter.

Coble Child Is Stillborn Wednesday

Dennis Wayne Coble, son of Mr. and Mrs. Jimmy Jarrett Coble, 1742 Omaha avenue, was stillborn at 7:42 p.m. yesterday at St. Elizabeth Hospital.

Survivors are his parents; the maternal grandparents, Mr. and Mrs. Lawrence Sorenson; and the paternal grandmother, Mrs. Celeste Coble.

Arrangements for the private services are given in today's obituary column.

Auto Hits Pedestrian, Who Declines Treatment

An elderly woman declined treatment here at 9:05 a.m. today after police reported she stepped from a curb into the right front fender of an auto.

Mrs. Satrag Dardarian, 600 Niedringhaus avenue, appeared unhurt. The auto, driven by Ted Tudoroff, 37, of 2508 Benton street, was pulling away from the curb on Niedringhaus at Cedar street.

Rock Throwers Reported

Granite City police yesterday evening received a report of boys on a garage in the 2300 block of Delmar avenue throwing rocks at cars passing on 24th street. Police checked the area but found no rock throwers.

More Americans have been killed on the highways than on the battlefields during the entire history of the United States.

Mrs. Nell Moor, Former GC Resident, Succumbs

Mrs. Nell Moor, a resident of Granite City for over 25 years before moving to Springfield, Ill., succumbed at 4:30 a.m. today at the Springfield Memorial Hospital, where she had been a patient for the past six months. She was ill three years, and her death was attributed to cancer.

Born in Keyesport, Ill., Mrs. Moor is survived by her husband, Jay Moor of Springfield, Ill.; a son, Paul Kendall of Springfield; three brothers, Keener Essington of Granite City, Police Patrolman Homer Essington and Police Sgt. John Essington, both of Venice; two sisters, Mrs. Alvin (Jesse) Ogden and Mrs. Norbert (Nadine) Schade, both of Granite City; her mother, Mrs. Ruth Essington of Granite City; and one grandson, Paul E. Kendall.

Funeral services will be conducted at 1 p.m. Sunday at a funeral home in Carle, Ill., with interment in the McConree Chapel Cemetery at Keyesport.

Crashes Into Parked Car, Driver Arrested

A Granite City driver required sutures at St. Elizabeth Hospital at 10:12 p.m. yesterday for cuts of the upper lip and left hand after his eastbound auto struck the rear of a car parked at 1918 Edwardsville road.

Identified by Madison police as William J. Bunch, 62, of 849 Niedringhaus avenue, he was charged with reckless driving and driving without a license.

There was extensive damage to the car of Robert North, 21, of 3007 Kirkpatrick Homes. Posting cash bond, Bunch was released pending a hearing Monday evening.

LABOR DAY TRAFFIC SAFETY is being urged by the Quad-City Safety Council. One of 2000 special auto bumper stickers, saying "I pledge to be a safe, courteous driver," is shown being affixed to the auto of B. C. "Tip" O'Neill (left). Alfred Weider, safety council president, is at the center and George Odum of the council's safety poster committee is at the right.

Vote Registrars At 2 Locations This Week

Vote registrars will be at the Tri-City Grocery Co. Bellemore village store from 9 a. m. to 9 p. m. both tomorrow and Saturday, and at the Triangle Heating Co. on Chain of Rocks road, Mitchell, from 1 to 8 p. m. Saturday.

The announcement was made today by County Clerk Eulalia Hotz, who urged all college students who will be 21 by Nov. 8 to register before they leave for school.

Crash Victim Listed As Satisfactory

The condition of Mrs. John (Rose) Billick, 639 Jefferson avenue, Venice, injured in a head-on crash Aug. 27, near Seventh and State streets, Madison, was listed as satisfactory at the Missouri-Pacific Hospital, St. Louis, at noon today.

Mrs. Billick, who sustained head, chest and back injuries in the two-car crash, submitted to surgery this morning, and an abdominal cast was applied.

2 Girls Burned As Grease Spills

Two young girls were burned, one severely, when a skillet filled with hot cooking grease overturned Monday afternoon at the home of one.

Wanda Sue Gibbs, four, daughter of Bracey Gibbs, 4806 Kirkpatrick Homes, was in good condition after she was admitted to St. Elizabeth Hospital for treatment of burns to her chest and legs.

Also burned, Shirley Motes, 18, daughter of Kenneth Motes, 4810 Kirkpatrick homes, was released after treatment was applied to the back of both legs.

Preparing Doughnuts
The girls were preparing doughnuts, Mrs. Motes said, and the accident occurred when the protruding skillet handle caught in a bundle of clothes being carried past, pulling it from the stove.

Ralph Harrison, 11, son of Earl Harrison, 2218 Edwards street, also is in good condition at St. Elizabeth Hospital after fracturing his left forearm in a fall from a garage Monday night.

James Naylor, three-year-old son of Wayburn Naylor, 2438 Missouri avenue, was released after being given a stomach lavage to remove 18 milk-of-magnesia tablets.

Bob Bell, 17, son of Harry Bell, of 2226 Edwards street, was released after injuring his right foot and ankle in a football game.

LaRose-Sullivan Wedding At Mt. Zion Church

Mrs. Vera Wyatt Sullivan, 2305 Oregon avenue, and Louis LaRose, 2449 Delmar avenue, were married last night at Mt. Zion General Baptist Church, 21st and Benton streets.

The informal ceremony was performed at 6:45 o'clock by Rev. Truman Collins, and the wedding dinner and reception for the families and a few close friends was held at the Rose Bowl.

The bride, a daughter of Mr. and Mrs. B. V. Wyatt of Gillespie, Ill., formerly of Granite City, wore a tulle and royal blue satin dress with a bolero and a summerbird. Her accessories were tulle, and her corsage was made up of gardenias. She was attended by Mrs. Nora Batts in Kelly green with matching green accessories and gardenias pinned at her shoulder.

William Compton was best man for Mr. LaRose. Mrs. Ralph Niepert presided at the organ. After a honeymoon trip to San Francisco, from where they will fly to Honolulu, the newly weds will reside at the bride's home. Mr. LaRose is employed by the Shell Oil Co. in Roxana.

Scout Program Prepares Girls For Home, Community Life

"Hundreds of teenagers have been brought before the court but never have we had any trouble with a girl who was a Girl Scout."

A juvenile court judge made the statement, but he was merely expressing what most people would agree to but seldom think of: Girl Scouts seem too well trained and busy to get into any kind of trouble.

In the Quad-Cities nearly 2000 girls between the ages of seven and fourteen take part in the Girl Scout program designed to teach them enjoyment through achievement.

Beginning as Brownies shortly after entering grade school, little girls are started on an 11-field program designed to aid their becoming interested, contributing members of the community.

After a few fledgling years as Brownies, the girl becomes a Girl Scout and later as she enters senior high school gets her full wings as a Senior Girl Scout.

The 11-field program is designed to form the substance of Girl Scout training.

Through participation in the arts and crafts, literature and dramatics, music and dancing, community life, international friendship, nature, outdoors, sports and games, agriculture, health and safety and homemaking, the girls build a solid background of cultural service, outdoor and domestic activities.

Community Service Among the multitude of Girl Scout activities, the community service facet is extensive, but little noted. Brownie troops each year "adopt" an elderly person or family as one of the local nursing homes and give them a birthday or anniversary cake, making visits and other visits. At Christmas, each troop visits a food basket for distribution at one of the welfare agencies such as the Salvation Army.

In summer the Brownies seem like miniature Johnny Apple seeds as they go about their little camps. Camp Lakota, planting trees and shrubbery.

When they reach 11 years of age the Brownies shed their skirts of tan and take on the green of the Scouts and their contributions to then community increase. They hand out posters, such as for the annual safe program, at businesses and public places. They assist at St. Elizabeth Hospital, the public libraries, their schools and the homes for the aged. As one scout leader noted, "Because we run through so many projects each year we are always asking people to give us something to do."

Recently the girls planted trees in St. John's Cemetery. Earlier they helped ready packages to be sent over to the Chinese earthquake victims.

Through the year they plant for St. Louis veterans' hospitals and baby sit for busy mothers.

On the camping and outdoor side of the girls' agenda, a new feature has been added with the completion last year of a year-round campsite at Camp Lakota.

The 63x45-foot winter lodge offers opportunities during the cold months for weekend trips as well as the regular summer day camps.

In addition, nearly 200 girls spend part of the summer at Pere Marquette park near Granton. The whole outdoor program is designed to teach girls not only to enjoy the outdoors but to be able to do so.

BROWNIES AT PRAYER before a noon meal at the Girl Scout camp site at Camp Lakota near Glen Carbon. Nearly 350 scouts and brownies took part this year in the three one-day camp activities which included preparing meals.

only common living but also the ability to plan and budget for themselves and others.

Winter Activities During the winter months, a typical meeting might include a discussion on cooking or first aid, followed by plans for future projects and ending with a lesson in square or folk dancing.

The girls govern their own meetings with suggestions made by the leaders and a general schedule supplied annually by the Girl Scout Council.

The number of leaders assisting this year is 251. They include mothers of scouts, many single women, teachers and former scouts. They have all received the four-day leader training course and work in close

conjunction with the local council.

The council is composed of 30 members representing the Quad-Cities geographically. Twenty of the council are troop leaders with the remainder made up of interested citizens. A subordinate governing body to the council is the group of five scout neighborhoods is made up of between 16 and 36 scouts and arranges local events and discusses local problems for the girls.

Council offices are at 1415 Niedringhaus in the Darnier building. Its administration is provided by one full-time secretary, Mrs. Eileen Huelkamp, and a part-time worker, Mrs. Marcella Obranovich. President of the council is Mrs. Esther

Zimmer.

The council is operating this year on a budget of \$22,411. The United Fund contributed \$13,000 of the amount, the remainder coming from the sale of cookies and contributions. For 1961 the budget has been upped about \$6000 with the UF allocation increased to \$16,400.

Because each Girl Scout troop is self-supporting, the United Fund allocation pays for the operating expenses of the council and its camping facilities at Camp Lakota. The expenses include salaries of the two office workers, insurance on the girls at camp and the office building and supplies, utilities, the leader training program and repairs and replacement of equipment.

Door Of Parked Car Damaged By Truck A parked auto was damaged Monday afternoon when the driver opened the door into the path of an oncoming vehicle, Granite City police reported. The accident occurred on 20th street at State street.

Gloria Zantz, 16, of 2656 Benton street told police that while she was parked at the curb she opened the left door. The other vehicle, a truck driven by A. O. Harmon, 59, of Kansas City, Kan., was traveling west on 20th street and failed to stop in time to avoid hitting the door, police said.

Navy Offers GC Couple Cruise On Son's Ship

A special cruise aboard their son's ship is in store for Mr. and Mrs. Arthur Gillham, 2109 Bryan avenue, beginning Sept. 3.

The local couple will leave next week for Charleston, S. C., where the USS "Alacrity" is based. Their son, Seaman Herbert J. Gillham, is a radio man aboard the ship.

The offer of the cruise over the Atlantic, to last about two days, is unusual, the Gillhams report, but they think the reason may be their son's top ranking in radioman's school. He graduated from the school with the highest average in his history.

Seaman Gillham was a June 1959 graduate of Granite City high school and was an honor student throughout his four years there. His father is employed at General Steel Castings Corp.

It's BACK TO SCHOOL TIME! DRIVE WITH CAUTION... AND SAFEGUARD THE LIVES OF OUR CHILDREN!
 YOU, nobody but YOU controls YOUR car! If you are involved in an accident... if a child is injured or killed... YOU are responsible! Remember, children are hasty, unable to exercise judgment, it is up to YOU to watch out for them, to be extra-cautious, extra-alert! Your judgment as an adult has qualified you for a driver's license... so YOU must accept the responsibility for the safety of our children by taking more than usual care, by being always on the alert. You can NEVER replace a life!

The first rule of safety is... SLOW DOWN AND LIVE! Those few extra moments you spend driving slowly may save a child's life, perhaps YOUR own! Be sure your car is in top mechanical condition. Poor brakes and slippery tires can, in an emergency, mean death instead of life! Best of all, learn to understand and obey all traffic laws! Optimists Purchase 4120 Christmas Trees
 Members of the Daybreak, Noonday and Twilight Optimist clubs' Christmas tree committee are conferring today to make plans for the annual sale of trees in this area, a project which has been going on for many years and girls' work fund each winter.

The committee has ordered 4120 trees, most of them to be balsam, varying in height from two to 12 feet and in price from \$1 to \$12. Delivery here from Nova Scotia is expected. The last week in November, but 8000 tickets priced at \$1 each will go on sale Sept. 17 as the clubs begin their fund-raising project.

The tickets will be available from members of any of the three clubs, and may be applied at face value on the purchase price of Christmas trees from the Optimist lot, a location which has not yet been determined.

The clubs will follow the usual practice of donating one tree to any local church that makes such a request.

From the sale of each ticket, the club whose member makes the sale will realize 50 cents. The remaining half-dollar will be placed in a general fund to be divided evenly between the three clubs at the conclusion of sales about Dec. 3. Later profits from lot operations also will be divided equally between the clubs.

The Christmas tree committee will hold its next meeting on Saturday, Sept. 17, immediately following the Daybreak Optimist meeting, at the YMCA. General chairman of the annual project is G. H. Sternberg of the Noonday club.

Other chairmen are David Larkin, Daybreak, publicity; Floyd Mitchell, Noonday, arrangements; Sternberg, lot and sign construction; Robert O'Brien, Daybreak, finance; and Robert Spengler, Twilight, transportation of trees.

FBI Agent To Speak At Post 307 Installation
 A former undercover agent for the Federal Bureau of Investigation will be guest speaker at a public installation of new officers of Venice-Madison American Legion Post 307 on Saturday, Sept. 10.

Thomas A. Younglove, who held 15 elective and appointive offices in the Communist party while working as an FBI agent, will discuss Communist infiltration techniques in the United States. The installation will be held at the post, 600 Broadway, Venice, beginning at 1:30 p.m., with dancing until 1 a.m., to follow the speaker.

Younglove has had more than 2000 hours of training in Communist schools, serving in front organizations and as a captain in their underground. He was government witness in several of the trials of the leading communists, including that of 11 in New York in 1949. In 1956, he testified before the House Un-American Activities committee regarding Communists in St. Louis.

The public is invited to the installation.

Hearing Held On \$56,200 Nameoki Town Road Budget

A Nameoki township road and bridge budget for 1960-61 of \$56,200 was approved at a hearing held on Monday night's hearing, held in the relief office. Six residents and the town board attended.

The figure is \$11,000 higher than last year's budget, due to addition of \$11,000 for construction of two bridges on an equal share basis with the county.

Final adoption of the budget and new levy, also set at \$56,200, will be at 7:30 p.m. Tuesday at the relief office. The action will be taken by Highway Commissioner Charles Hanks.

The levy last year was identical to the budget, \$45,200.

Two bridges are to be constructed and paid for under the additional levy. One is already completed on Black Lane in State Park Place. The other bridge will be built on Elm Slough at Illinois Highway 162.

A breakdown of the remaining road and bridge fund budget follows: Expenditures under each classification are identical to that of the budget adopted a year ago:

Construction of roads—none; construction of bridges—none; road maintenance—\$18,100; bridge maintenance—\$2000; road oiling—\$19,400; purchase of machinery—none; machinery repairs—\$1200; mosquito control—\$800; buildings maintenance—none; Administration—\$3700.

SOCIETY Evening Guild Elects Officers At St. John

Mrs. Helen Robertson was elected secretary and Mrs. Alice Prosser was named treasurer for a two-year term at a meeting of the Evening Guild of St. John United Church of Christ, 2901 Nameoki road, Monday evening.

A pot luck supper preceded the meeting and twenty-four members were present.

Mrs. Judy Stille presided and announcement was made of the annual Meditation Days of the South Illinois Synod Women to be held Sept. 10-11 at Eden Theological Seminary. Those wishing to attend are being asked to contact Mrs. Stille.

A program on stewardship and budgeting included a discussion by Mrs. Stille and Mrs. Lila Hollenbeck, followed by a motion picture along the same lines entitled "Spill Level Living."

Mrs. Thelma Sues and Mrs. Thelma Jacobsmeier had the devotional service, the former with the meditation and Mrs. Jacobsmeier reading the Scripture lesson. Prayer was offered by Mrs. Doris Oliver.

Plans were made for a "white elephant" sale and program on national missions at the September meeting.

Hostesses at the meeting were Mrs. June Craig, Mrs. Vivian Davis, Mrs. Cora Hettich and Mrs. Dorothea Rivenburgh.

October Wedding For Miss Worthen

Mr. and Mrs. Milton L. Worthen, 2511 Sheridan avenue, are announcing the engagement and forthcoming marriage of their daughter, Miss Gloria Worthen, to Charles W. Ludwig, a son of Mr. and Mrs. Charles F. Ludwig of Monroe City, Mo.

The wedding is scheduled for Oct. 22.

The bride-to-be, a graduate of Granite City high school, is employed in the medical record department of St. Elizabeth Hospital.

FORMER RESIDENT IS MARRIED

Announcements have been received by friends here of the recent wedding in Kansas City, Mo., of Miss Carol Martinette, a daughter of Mr. and Mrs. Carl Martinette of that city, and Neale F. Koenig, a son of Mrs. Wesley C. Koenig, 8963 Mayfield Court, St. Louis, and the late Mr. Koenig, former Granite Cityans.

The ceremony was performed on the evening of Aug. 27 at South Presbyterian Church, with a reception following.

The bridegroom attended the Missouri School of Mines and Metallurgy and has just graduated from the University of Missouri School of Engineering. He has accepted a position with the Martin Co. in Denver, Colo., where the couple will reside. The former Miss Martinette also attended Missouri University and plans to continue her studies in the West.

Farewell Party By Scout Troop

Miss Toni Wimmer, who will leave soon with her family to reside in Chicago, was given a farewell dinner party at the Rose Bowl Tuesday evening by Senior Girl Scout Troop 44. She was presented with a gift and a corsage.

Miss Wimmer has been a member of the Troop for the past two years, having transferred from Troop 43. She has been active in scouting since November 1944. Together with six other members of Troop 44 and eight other Senior Scouts from the Tri-City Council, she attended the Senior Scout Roundup in Colorado Springs in 1959.

Other members of the troop are Janet Shelton, Eddy Marshall, Barbara Byrnes, Carol Cape, Adelle Koch, Donna LaRose, Donna Wickam, Ellen Winters, Betty McCauley, Barbara Kelly, Joan Cell, Sharon Cruise, Mary Beth Gavin, Ruth Johnson, Phyllis Kawula, Marilyn Odell, Karen Overbeck and Martha Spengler.

The next regular meeting of the troop will be held Sept. 6, when officers and patrol leaders for the coming year will be elected. A weekend camping trip to Cuivre River State Park Sept. 16 was planned at Tuesday's meeting. The present leader of the group are Mrs. Ella Mae Reinhardt and Mrs. Audrey Sperry.

RETURN FROM MISSOURI law and sister, Mr. and Mrs. Mr. and Mrs. Frank Jones, 2673 Washington avenue, returned Wednesday from a visit of several days with their son-in-law and daughter, Mr. and Mrs. R. E. Hopson in Kansas City stock transactions of the New York Stock Exchange.

Completes Electronics Course Of Marine Corps

Marine Pfc. Robert C. Taylor, son of Mrs. Georgina S. Taylor, 2152 Adams street, has graduated from the Aviation Electronics Operators Course at the Marine Corps Recruit Depot, San Diego, Calif.

During the five-week course he was trained in the operation of electronics equipment used in Marine air control squadrons.

Stop Sign Arrest

For allegedly running a stop sign at 19th street and Edison avenue Monday, Granite City police arrested Sallie A. Coleman, 2518 Adams street. For bond, she posted her driver's license.

LOST and FOUND

LOSE POUNDS AND FIND NEW ENERGY WITH VITA! FORTIFIED SKIM MILK DRESSER

ENGAGEMENT of Miss Darlene King, daughter of Mr. and Mrs. William A. King Jr., 5237 Lakeview drive, to Pfc. Jerry Matheny, son of Mr. and Mrs. Russell Matheny, 5264 Lakeview drive, is being announced. Wedding plans are indefinite.

More than 500 newspapers law and sister, Mr. and Mrs. Roma Huttsell of Independence, Mo. print all or part of the daily R. E. Hopson in Kansas City stock transactions of the New York Stock Exchange.

Youths May Still Register For Park District Swimming Meet On Saturday

The deadline for entries in the sixth annual "Swim Spectacular" at the Wilson Park swimming pool has been extended until 9 p. m. tomorrow in the hope of attracting a larger number of contestants in the 20 competitive swimming events. Pool Manager Robert Miller said

The events in each age group are as follows:

Boys 14-16 and 11-13 - 50-yard freestyle, 50-yard backstroke and underwater swim for distance.

Girls 14-16 and 11-13 - 50-yard freestyle, 50-yard backstroke and underwater swim for distance.

The swimming competition open to boys and girls between the ages of eight and 16 who reside within the limits of the Granite City park district, traditionally marks the closing of the park pool for the season.

"Swim Spectacular" will begin at 8 p.m. Saturday with an exhibition of diving at the pool. The swimming events will run from 1 to 5 p.m. the same day.

Boys and girls will compete in freestyle, butterfly, breaststroke and backstroke races in age groups, 8-10, 11-13 and 14-16. Swimming trophies will be awarded to the top three and third place winners in the finals of each event by the park district, which is sponsoring the program.

Tavern League

The swimming competition will be judged by Park District starter manager, Paul Kratochvil. Starters and timers for the events will be John Kozak, Al Jorgensen, Jim Kozak, Alesop, Jack Ritchie and Peter Winner.

A charge to entrance will be levied on spectators in the meet. Entry blanks, which must be returned to the park district office, will appear in last Thursday's edition of the Press-Record. Parent consent is required before a boy or girl may enter.

Granite City PRESS-RECORD

Takes Labor Day Weekend Vacation

The Sunday morning Tavern Slope Pitch league, only regular football loop still engaged in regular season play locally, will take the Labor Day weekend off before rolling into the final two weeks of its schedule.

Barling's Brawl, Biggers Tavern

and Sportsman's Club have the inside track as far as a title shot is concerned. Tied for first place after the first two weeks the clubs have identical 13-3 records and lead the closest challenger, Green Hall, by two full games.

Briggs won the mid-season championship with an unblemished record, but since that date has dropped to three games while winning four.

in the league are eligible to compete in the post-season playoffs, including last-place Clinton Tavern, which inherited a 1-14 record when it replaced Jolly Mill last week.

Five games are scheduled on each of the two remaining playing dates, Sept. 11 and Sept. 18, with pairings to be made for the playoffs at the conclusion of the season.
